

The DAISY Award®

FOR EXTRAORDINARY NURSES

IN MEMORY OF J. PATRICK BARNES

Celebrating Student Nurses for their Commitment to Compassionate Patient Care and for Outstanding Clinical Skill

Thank you for taking the time to thank your Senior Student Nurse! All NURE 232 and NURE 290 are eligible to be nominated for this recognition.

Trinitas School of Nursing is proud to be a DAISY Award Partner. "DAISY" is an acronym for Diseases Attacking the Immune System. The Foundation was established in 1999 in memory of J. Patrick Barnes who died at the age of 33, from complications of the Idiopathic Thrombocytopenic Purpura. Patrick's family was very touched by the remarkable compassion and clinical skill demonstrated by Patrick's nurses during his illness, so they created DAISY to recognize exceptional nurses everywhere. The DAISY Foundation is dedicated to saying Thank You to Nurses and is now proud to recognize Nursing Students for their care of patients and their families.

The *DAISY Award for Extraordinary Nursing Students* is designed to remind students, even on the hardest days in nursing school, why you want to be a nurse. By recognizing nursing students for the above-and-beyond care and compassion shown to patients and their families, we celebrate what it truly means to be a nurse. We honor the nurse-patient *connection* that makes all the difference to patients and their families in their healthcare experience and that makes great nurses truly great.

Each DAISY Award for Extraordinary Nursing Students Honoree will be recognized at a public ceremony in her/his school and will receive: a beautiful certificate, a DAISY Award pin, and a hand-carved stone sculpture entitled A Healer's Touch.
